Summer Office Hours

Reminder: The office is open from 8:30 am to 3:00 pm during the summer months. The office is closed from 12:00-12:30 for lunch.

DSS Recertifications

If you need to have a Shelter Form completed by the office for your DSS Recertification, please drop off the form as soon as you receive your recertification packet from DSS. The office requires a 7 day notice to complete these forms. If you bring the form to us the day of your appointment, we will not be able to fill it out for you.

Visitors

Unless someone is here to visit you personally, please **do not** open the building doors to let someone into the building. All visitors should be coming through the main lobby doors and should use the intercom system to have the person that they are visiting open the door for them. The security of our building depends on the cooperation of our tenants following these rules.

Hi Rise & Stratton

Please let your visitors know that children should not be running through the hallways, lobby or common areas.

CARS

All cars parked on AHA property including those in reserved parking spaces for Hi Rise & Stratton tenants must have:

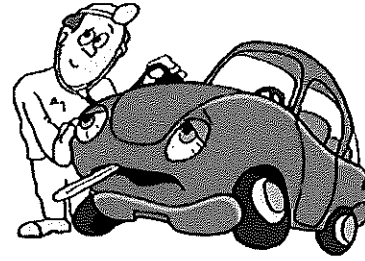

- An AHA parking sticker
- License plates
- A current inspection sticker

Cars should never be parked in a fire lane. Any car parked in a fire lane or in a handicapped parking space without a handicapped plate or tag will be towed at the owner's expense.

If you need a parking sticker, please come to the office with the registration for your car. The car must be registered to a member of your household who is on your lease.

Hi Rise & Stratton tenants with reserved parking spaces...if you no longer have a car, please notify the office so we can assign your parking space to someone who is on the waiting list for parking.

Auto Repair

Tenants should not be doing car repairs & oil changes on housing authority property. It is a violation of your lease.

Garden Apartments – Outside Lights

Maintenance is working on replacing all of the lights that are out within the Garden Apartment Complex. If you notice that any outside lights are out in the future, please call the office to put in a work order so we can get them fixed promptly going forward.
