IMPORTANT – Winter Parking

Vehicle towing during winter season -

It is important to register your vehicle with the office! Any resident who owns a vehicle and wishes to park in any AHA parking lots is required to register their vehicle with the administrative office. Please stop in to the office to obtain your vehicle sticker. There is NO cost for the sticker. Any vehicle that is parked in one of AHA's parking lots that is not registered, WILL BE TOWED. This is necessary in order to insure the maximum level of safety for all residents who will need to utilize the parking lots this winter. Having to plow around vehicles creates a safety hazard with the excess snow that is left in the parking lot. Beginning this year all unregistered vehicles will be towed on the morning of snowstorms.

Any cars parked in the fire lanes will be towed without warning, at the car owners' expense. Maintenance

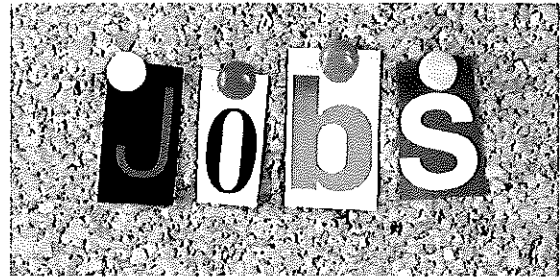

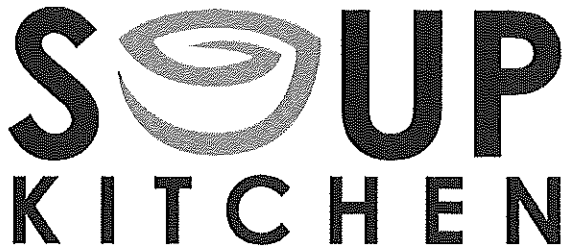

needs to be able to access these areas in order to plow our parking lots.

Please be cooperative during snow removal. Please move your vehicles to cleared areas so that the maintenance staff can plow the parking lots more effectively.

Parking is **not allowed** in the AHA Employee parking lot on Wall St. at any time.

Garden Apartment Snow Removal

This is a reminder that winter is almost upon us so the snow will be falling soon. The lease you have signed requires that you remove snow from your stoops/walkway because these are considered egresses within the building codes that we must adhere to. The Housing Authority must ensure that this part of your lease is strictly enforced. Please be sure to shovel the snow from your stoops/walkway promptly after a snowfall. If snow remains on your stoops or walkways 48 hours following a snowfall, the Housing Authority will be contracting someone to remove snow and the cost of the snow removal will be the responsibility of the resident lease holder.
